

WISELED®

WISELED Tactical NG +

Our new Tactical is refined with new high precision optics providing additional 50% more intensity in the hotspot than our WiseLED Tactical. The NG+ is optimized for throwing distance, the perfect light for law and enforcement and search and rescue operations!

- 580 meter /1750 feet illumination distance (0,25 lux)
- 87000 lux @ 1 meter /3,2 feet
- 930.000 peakbeam candela
- 2800 lumen
- 7 LED 50000+ hours LED lifetime
- Up to 35 hours continuous light (lowest output setting)
- Zero maintenance
- 2 years warranty
- 3 hours charging time

WISELED TACTICAL NG vs WiseLED Tactical NG+

Our New WiseLED Tactical NG+ has double the amount of LUX (light intensity). Lux is a unit of measuring illumination intensity at a surface at a distance. Our new WiseLED Tactical NG+ has higher lux value, but ca 20% less lumen than our standard WiseLED Tactical NG.

Warranty

WiseLED Tactical NG and NG+ are delivered with a 2 year warranty (limited warranty for the batteries). If any problems arise with your WiseLED product return your WiseLED flashlight to our address after which we will correct the problem as soon as possible or alternatively replace your product. Vandalism, abuse and misuse are not covered by our warranty and the exchange rights. Enclose your receipt when exchanging the product. The warranty is voided if the product is misused, abused, tampered with or taken apart/opened.

- 7 LED Efficiency 2800 lumens
- LED lifetime + 50,000 hours
- Battery: Rechargeable Li-ion
- Battery capacity: 11.1 volt, 5.8 amps
- Light output duration:
 - 125%: 2 hours 20 min
 - 100%: 3 hours (continuous drive)
 - 75%: 5 hours
 - 50%: 8 hours 40 min
 - 20%: 37 hours 30 min
- Dimmable: 5 steps
- Waterproof (not suited for diving)
- 4 degree half angle
- Anodized Aerospace grade aluminium
- Grip: Thermo plastic rubber
- Strobe effect: 500 watts (non-lethal weapon)
- Usable light: Range min. 580m/ (0,25lux)
- Signalling: 15 miles in clear weather
- Weight: 800 grams / 28oz
- Size: Fronthead diameter 76 mm / 3"
- Body diameter: 46 mm / 1.8"
- Overall length: 24.2 cm / 9.5"
- Built in taillight
- Battery indicator
- Built in antitheft chassis number
- Self-discharge time: 5 years

WiseLED flashlights have to be kept fully charged at all times. Our warranty does not cover flashlights that have been left uncharged for a period of 2-3 weeks. In the case of such an event, this must not occur more than 3 times, as this will significantly deteriorate the battery. The Li-ion battery chemistry is not able to survive longer periods without stored energy so if not charged with a timely interval your batteries will get less efficient and the chemistry inside will eventually give up. So therefore remember always to fully recharge your flashlight before storing it for longer periods of time.
